

Dear Students

The POST COVID 19 DEVELOPMENT Research committee in University of Ruhuna decided to have a survey on the accessibility of the students to online learning from home. This survey form will be directed to all the current students of all the faculties. There, the university expect to collect information about

- (1) Signal strength of Service provider/ network (signal quality/ availability of 4G/ tower coordinates)
- (2) Facilities the student having at home to access (laptop / smartphone/ desktop/ on tv)
- (3) Other problems students having other than technical (no electricity at home/ no money to pay bills)

You can fill the form by clicking following URL.

<https://forms.gle/WscZrMHSjB9T6iU19>

Also, the following instructions give to students with the link

- If the postal code, City or GN Division is not listed please ask students to use the nearest location. As the coordinates are submitted, it is not a serious problem.
- Furthermore, Postal code, GN division or city is not listed, students could let us know through email with a copy to Prof Jayantha, jayantha64@gmail.com, for further development of the form.

Thanks

The POST COVID 19 DEVELOPMENT Research committee
University of Ruhuna
